Idea Mining Innovation Management

The screenshot shows the Planview Innovating website. At the top, there's a header with a lightbulb icon and the word "INNOVATING" in blue. To the right of the header are links for "Go to", "Inbox", "Search", and a user profile icon labeled "A". Below the header is a navigation bar with links: "Home", "Activity Hub", "Categories", "Success Stories", and "24 Hours of Innovation". The main content area features a large, colorful graphic of a lightbulb surrounded by various icons representing ideas, work, and success. Below this graphic is the text "Help IM Innovate!" followed by a short paragraph: "putting minds towards a common goal is key, so we have created this platform for all of you." Below this is a blue banner with the text "Contribute your ideas. Imagine. Innovate. Inspire." At the bottom of the screenshot are two images: one showing a hand holding a glowing lightbulb over a background of hexagonal icons, and another showing a person standing in a maze. Below these images are the captions "Have an idea?" and "What's your problem?" respectively.
