

Working Together to Deliver What Matters: Planview and UPS

Sandy Pittman | Vice President, Enterprise Program Management Office UPS

Background | We are **UPS**

534,000

220+

25.2M

\$97.3B

Employees

Countries & territories served

Packages delivered daily

Total revenue for 2021

Strategic Rationale | Challenges

Strategic Rationale | Problem

Strategy,
transformation,
governance and project
execution processes
were not connected

Multiple tools, databases, spreadsheets, reports, and financial models led to re-work, inconsistent reporting, and outdated materials

Strategic Rationale | Solution

Planview Enterprise One Provides our organization with significant benefits by enabling:

Strategy and Execution Investment Process Planning

Financial

management

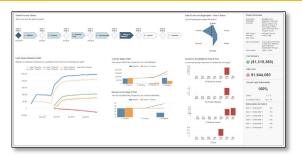

#PVAccelerate22

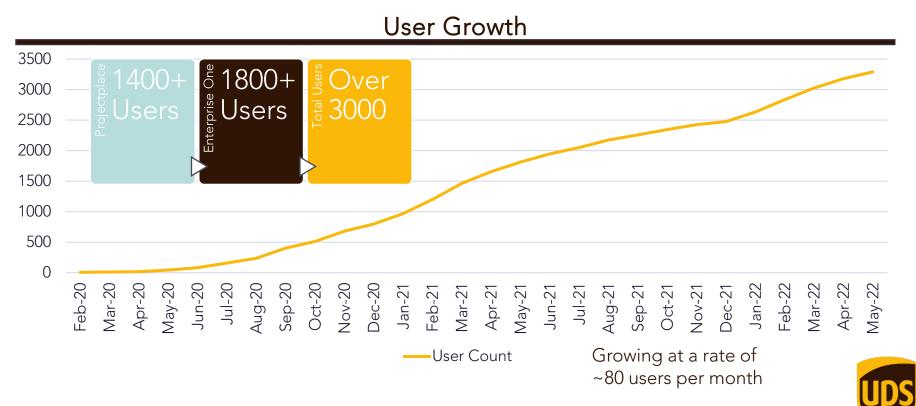

Deployment | Key Milestones

#PVAccelerate22

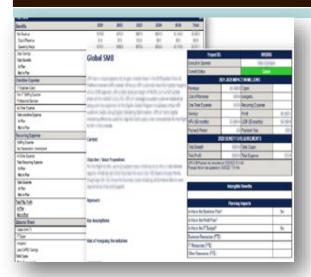

Deployment | Users

Deployment | Focus Areas

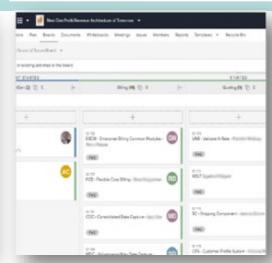

Corporate Strategy and Financial Processes

Governance and Visibility

Project Management and Collaboration

Deployment | Executive Visibility
